DISCLAIMER OF INTEREST OF SHERIDAN COUNTY

Sheridan County, by and through the Sheridan County & Prosecuting Attorney, hereby disclaims any interest in the property that is the subject matter of the *Complaint*, specifically described in paragraph 8 of the *Complaint*. Plaintiff's claim against the property being foreclosed upon greatly exceeds the market value of the property, which will result in no surplus funds from the sale of the property to be distributed to other lienholders, and Sheridan County has no objection to the judgment sought.

Based on this disclaimer, Sheridan County requests that it be dismissed from the above-captioned suit.

DATED June 11, 2025.
